Listen and play the incomparable Cantate 354

Inspired by various beautiful and historic pipe organs, Content Organs has developed the all new Cantate 354. An entirely new concept and technology offers four distinct voicing characters in one single instrument. You will be amazed at the wonderful sound and authentic realism when performing great organ works from around the world. It is now possible to select a timbre more closely related to the instrument on which the music was originally composed.

Innovative

Our own Research and Development team have created the state of the art Invention Technology, allowing the realisation of unparalleled quality sound reproduction. The newly developed convolution type reverberation creates a spacious acoustical environment that is second to none: from the acoustics of a small chapel to an impressive cathedral.

As a first, Content Organs allow a virtual positioning of the organist throughout the church - a breakthrough. In addition, top of the line multi channel digital amplifiers, an integrted 3D Surround System and high quality loudspeakers create an overwhelming sound that will inspire for many years to come.

Ready for the future

The Cantate 354 features a well balanced and delicate tonal definition, whether it be a soft registration or Full Organ. The authentic individual stops build into stunning choruses. An organ for the future, available today.

Design, technology and features are combined in a superb well-built console to suit every setting. The instrument meets stringent standards in energy consumption, both in production and daily use.

Now is the time to discover the Cantate 354 developed and built by organists for organists of every ability.

Important features Cantate 354

- 3 Manuals
- Velocity sensitive keyboards
- 4 Independant dispositions
- 4 x 54 Stops
- 10 x 45 General Presets (x 4)
- Convolution type reverb
- Programmable General Crescendo
- Personal Control Center (PCC)
- Virtual Player Position (VPP)
- Extravoice (112 programmable orchestral voices)
- Cantus Firmus (CF)
- 54 Historical temperaments
- WindChest
- Flexibele wind supply
- Physiologic expression pedals
- Automatic Pedal (AP)
- Stylish console featuring extensive use of solid wood
- Available without or with locking roll top (354R version)
- Additional options please consult your dealer or our pricelist
